## Parent Involvement Program

Each family is required to contribute a minimum of 10 hours of volunteer work throughout the academic school year, which is equivalent to \$100 per hour for a total of \$1,000. Volunteer work hours must be earned from a fundraising event approved in advance by the principal to be applied to a families work hours. All families must complete the Parental Involvement Program by April 30<sup>th</sup>. Any balance due must be paid by the end of school. Any balance not cleared at this time will result in the withholding of a student's grades and/or record until this balance is cleared. Parents have the option to pay the total fee of \$1,000 or \$100 per hour not earned rather than volunteer their time. Communication with the Development Director is crucial if parents are unable to fulfill at least 2.5 hours by Christmas break.

Fundraisers approved for service hours include:

- Pancake Mimosas Bingo
- Jambalaya Dinner Sale
- Trunk or Treat Chili Cook-Off
- BBQ Chicken Dinner
- Santa in the Courtyard
- BBQ Pork Steak Dinner
- Mardi Gras
- Bunny on the Trail
- Crawfish Boil
- Annual Giving Appeal
- Assembling mail-outs pertaining to any of the above listed fundraisers.

Thank you for all you do!
